

Transfer of RTG Software License

A software license for an RTG software product may be transferred if both parties complete this form and return it to RTG. This form is required if the new licensee wishes to be eligible for reduced-price upgrades of the software.

RTG software product: _____

Currently licensed to: _____

Part 1: Current Licensee

The undersigned Current Licensee hereby agrees to the transfer of the license for the RTG software product listed above and certifies that the information provided below is correct. The Current Licensee confirms that he/she has the right to transfer this license and hereby transfers all rights granted under the RTG Data Systems Software License to the New Licensee. The Current Licensee agrees to transfer the software and any media, printed materials, upgrades, license codes, and any other materials provided together with the software to the New Licensee, and agrees not to retain any copy of the software.

Name: _____

Title: _____

Company Name: _____

Address 1: _____

Address 2: _____

City, State, ZIP: _____

Email: _____

Signature of Current Licensee:

_____ Date: _____

Part 2: New Licensee

The undersigned New Licensee confirms that he/she has read the RTG Data Systems Software License for the RTG software product listed above and agrees to be bound by its terms and conditions. The New Licensee acknowledges the receipt of the software and documentation and certifies that the information provided below is correct.
